FROM THE DESK OF MANAGEMENT

As we step into the **10th** year of our academic journey, our hearts are filled with immense gratitude and pride. It has truly been a gratifying experience—one that strengthens our resolve to keep moving forward in fulfilling the vision of our school.

Our vision is to nurture future leaders who embody strong moral values, uphold justice and honour every individual equally. At Genius National School, we are committed to creating a competitive yet nurturing environment, where the growth and development of every child takes place in their best interest.

Moving forward, our aim is to cater to each child's potential, mental well-being and holistic growth—shaping them into true Geniite Gems. With the unwavering support and trust of our parents, teachers and staff, together we can continue to build a community where every child shines, learns with joy and walks confidently towards a bright future.

SCHOOL TIMING

Your attendance today shapes
your success tomorrow.

About Us

Expectations from education are getting higher everyday and even the best schools are struggling to catch up with the rapid pace. While GENIUS NATIONAL SCHOOL is striving relentlessly to help our children excel academically, we are also conscious of our social responsibility to create compassionate and committed citizens as our core mission through a modern and value-based curriculum. Being a good human being is far more important than just being academically good. It is, therefore, imperative to create a conducive environment both in school and at home, whereby our children learn the values of fair, healthy competition, equality and team spirit. The responsibility is on us to help them recognise their strengths and work on their weaknesses. This will surely happen by keeping the students well-rooted in values, strengthening their skills and developing their core competencies to succeed in this world and the hereafter.

BRINGING CLASSROOM CONCEPTS TO LIFE!

Art that Inspires Change

The Arts and Craft class encourages creativity through painting, paper craft, and other hands-on activities. It helps students develop patience, teamwork, and artistic skills while expressing their imagination through colours and design.

Hands-On Learning

Through plantation, students connect with nature and learn the importance of trees. The activity builds responsibility, teamwork, and care for the environment, inspiring them to work towards a cleaner, greener planet.

Exploring History at the Indian Museum

Students visited the Indian Museum, Kolkata, and explored fascinating artifacts and exhibits. The trip deepened their understanding of history and culture while making learning enjoyable and memorable.

Debate

Debate helps students develop confidence, critical thinking, and effective communication skills. Through inter-house and inter-school competitions, they learn to research, reason, and express ideas clearly while respecting diverse opinions.

Karate

Karate at Genius National School builds fitness, focus and discipline. Students learn self-defense, respect and confidence while developing resilience and strong character.

Making Children Football Ready

At Genius National School, we nurture young footballers by building their skills, confidence and game awareness. Through fun yet focused training, students learn teamwork, strategy and perseverance, readying them for competitive play and lifelong lessons in discipline and sportsmanship.
