FROM THE DESK OF PRINCIPAL

As I look back upon the journey of **Genius National School** completing 10 remarkable years, my heart is filled with immense gratitude. These ten years have been far more than a passage of time—they have been ten years of learning, growing, discovering, overcoming challenges and evolving together.

Every child who walked through our gates, every teacher who gave their heart to the classroom, every parent who placed their trust in us and every experience—both joyful and challenging—has shaped the school we are today. This journey has taught us as much as we have taught our students.

At Genius National School, we envision education as a journey that goes beyond classrooms, textbooks and examinations. We strive to ignite minds, shape character and awaken purpose.

Our vision is to raise young people who are not only academically accomplished, but also curious in thought, courageous in action, compassionate in spirit and responsible in their choices.

We believe every child carries a spark of possibility. Our responsibility is to create an environment where that spark is nurtured into confidence, character and meaningful contribution.

As we celebrate a decade, we do so not merely by looking back at what we have achieved, but by looking forward with renewed hope and purpose. We aspire to build a generation that does not simply ask, "What can I achieve?" but also, "What difference can I make?"

Our vision is simple: to educate minds that think, hearts that care and individuals who create a better tomorrow.

With gratitude for the journey behind us and faith in the journey ahead, we step into the next decade with greater purpose, deeper commitment and an unwavering belief in the potential of every child.

Nikhat Farooqui
Principal

FROM THE DESK OF MANAGEMENT

Dear Parents and Guardians,

Welcome to the beginning of a transformative educational journey with our beloved school. Choosing the right institution for your child is one of the most significant decisions you will make as a parent.

Md Masood Alam
Secretary

At Genius National School, we do not just educate; we inspire, nurture and prepare young minds to navigate an ever-changing world with confidence and integrity. Our vision is built on the foundation of academic excellence, character development and holistic growth. We believe that every child possesses unique potential. Our dedicated educators use modern, 21st-century learning methodologies to foster critical thinking, creativity and a lifelong love for learning. While we embrace cutting-edge technology and global standards, we remain deeply rooted in strong core values, empathy and respect.

Education is a shared partnership. We highly value the collaboration between home and school, working hand-in-hand with parents to ensure that our students feel safe, supported and challenged to achieve their personal best.

As you go through this brochure, you will see a glimpse of the vibrant environment, state-of-the-art infrastructure and diverse opportunities that await your child. We invite you to join our thriving school family and build a secure, successful future together.

Warm regards,
Secretary, Genius National School

ADMISSION AND IT'S CRITERIA

We invite applications for admissions for classes nursery to class IX & XI for the academic year 2027-28. The prospectus (Including admission form) is available at our school till 28th February 2027. Interested guardians may collect the same at a nominal price of ₹300/- during 11:00 a.m. to 2:30 p.m. on all working days. The admission will be held on the basis of performance in the interview.

CLASSES

AGE AS ON 01.04.2026

Nursery

3 years and above

LKG

4 years and above

UKG

5 years and above

I

6 years and above

II

7 years and above

III

8 years and above

IV

9 years and above

CLASSES

AGE AS ON 01.04.2026

V

10 years and above

VI

11 years and above

VII

12 years and above

VIII

13 years and above

IX

14 years and above

XI

16 years and above

The above-mentioned age bar has been set considering the NEP of India.

The NEP now mandates that children must be six years old by a specific cut-off date to be eligible for admission into Class I. This shift has been introduced to align with global standards and ensure a smoother academic journey for students.

About Us

At GENIUS NATIONAL SCHOOL, we believe that education extends beyond academic excellence. Our aim is to nurture compassionate, responsible and confident individuals through a balanced blend of modern education and strong moral values.

We strive to create a supportive learning environment where students develop a spirit of fairness, equality, healthy competition and teamwork. By recognising each child's strengths and helping them overcome challenges, we encourage holistic growth and lifelong learning.

Our commitment is to equip students with the knowledge, skills and values they need to contribute meaningfully to society and lead successful, purposeful lives, both in this world and the hereafter.

EXTRACURRICULARS

At Genius National School, we believe true education extends beyond textbooks and traditional classrooms. Our students are provided with opportunities to learn, explore, create and experience life through Robotics & STEM, Karate, educational excursions, practical activities, workshops, sports and various co-curricular programmes.

Karate & Physical Development

Karate at GNS combines physical fitness with discipline, focus and self-confidence. Students learn through practical training while developing coordination, perseverance and essential self-defence skills. It encourages an active lifestyle and helps build both physical and mental strength.

BEYOND BOOKS, BEYOND BOUNDARIES

Robotics & STEM Programme

Our Robotics and STEM programmes provide students with hands-on exposure to technology, innovation and problem-solving. Through practical projects and experiments, students develop creativity, logical thinking, teamwork and future-ready skills while applying their classroom knowledge in real-world situations.

Excursions & Experiential Learning

Our educational excursions and activity-based programmes take learning beyond the classroom. Through field visits, workshops, interactive sessions, sports, competitions and other co-curricular activities, students gain first-hand experiences, broaden their perspectives and discover new interests in an engaging and meaningful way.
